

ESTORIL

Set in the beautiful “Portuguese Riviera”, a region full of beauty and history where the Atlantic Ocean has created a fascinating coastline and year-round mild climate. Factors, which combined with easy access to the cosmopolitan city of Lisbon, made it the birthplace of tourism in Portugal. Estoril is an ideal retreat for corporate meetings and incentive programs.

INTERCONTINENTAL MEETINGS®

With breath-taking views over the Atlantic Ocean, the InterContinental Estoril ensures that meeting and incentive attendees will have an unforgettable experience.

A sophisticated design with marine blue accents, reflecting the nearby sea, inspired the hotel decoration which includes 59 spacious rooms and suites with expansive indoor and outdoor areas, luxuriously furnished contemporary styled interiors, all with private terraces and ocean views.

Its privileged location allows easy access to beautiful locations in the region such as Cascais and World Heritage UNESCO Sintra. And for those looking to experience the local lifestyle, the list is endless but we recommend the fish and seafood specialities, beautiful sandy beaches, exciting water sports, nature activities and world-class golf courses.

InterContinental Estoril is a modern building facing the Atlantic Ocean and a true landmark with a prime location between Lisbon and Cascais front line. Besides its unique location, what makes this hotel so special is the splendour of the 59 spacious rooms which include 38 Deluxe Rooms, 19 InterContinental Club Rooms and 2 Suites, all with expansive indoor and outdoor areas and private terraces overlooking the sea. All rooms are non-smoking and the hotel features 12 interconnecting rooms.

LOBBY LOUNGE

Located on the third floor, our lobby lounge serves a lavish buffet breakfast in the morning with the Atlantic Ocean in the background. The lobby lounge also features a covered outdoor terrace which opens up for stunning views over the water. A menu with light food dishes and snacks is available throughout the day.

ATLÂNTICO BAR & RESTAURANT

The Atlântico Bar & Restaurant is adjacent to the hotel and housed in an elegant area with capacity for 50 people indoors and 52 in the outdoor terrace. Here you can enjoy authentic Portuguese flavors prepared with the freshest local seafood and fish. All dishes are created by our renowned Executive Chef Jorge Fernandes. For a more relaxed meal, the restaurant also offers an array of seafood, meat and rustic tapas with delightful champagne pairings.

OCEAN SPOT POOL BAR

As the name suggests, our pool bar is only a few steps from the Atlantic Ocean and it's the perfect place to enjoy light-meals and freshly pressed juices throughout the day. The Ocean Spot Pool bar is a casual place to meet for a drink before dinner or to refresh with colleagues after a busy day with meetings.

SPA & WELLNESS

Located on the second floor of the hotel, it is a retreat where each treatment is an invitation to relax, revitalize and rejuvenate. The Spa features an indoor pool, sauna, steam bath, ice cascade and four private treatment rooms offering a wide selection of treatments and services such as massages, facial and beauty treatments.
